23 How easy is it to understand how the injector works? *The instructions weren't very clear. But I watched a few YouTube videos to get a better understanding*

Very difficult *from the instruction* Very easy

24 How do you evaluate the injection with the injector compared to injecting manual? *This is best! This is a game changer for me. Before I had a lot of mental blocks of pain that resulted in me delaying my shot by 1-2 weeks.*
